2:30-3:30pm			

Dear Exhibitor:

Please refer to the **calendar** on etnaffa.weebly.com (you can print this) for the date your animal will be weighed or visited.

Country Fair: All 8th grade, Freshman, First Time exhibitors (**that were unable to make the mandatory meeting**), Students needing to make-up meetings & parents need to attend the **Country Fair:** June 11th (Tuesday), 6-8 pm, meeting & Quality Assurance at 7:00 PM at Scott Valley Pleasure Park. **Steers/Heifers (Beef)** need to attend – Weights & Show Practice will be held. Your beef animal will need to be trailered to at least one (more is better) of our three showmanship & fair prep dates (Country Fair, Hoof Trimming, or Clipping).

Lambs should attend Country Fair in order to obtain a current weight and showmanship practice.

Hoof Trimming All beef animals will attend the **hoof trimming** and showmanship practice at the Nash Ranch on Thursday, July 11 from 8am-12pm. All beef weights will be done at this time.

Weighing Days: Please remember that we are working with animals, so allow a 1 hour window. If you are not at your animal when we arrive, we will be unable to get a weight for you.

Swine showmanship practice will be on an independent basis when we come to weigh your animal.

Group Fitting: Thursday 8/1 from 6-8 pm at the School Farm. **Beef** animals will be roughly fitted in preparation for fair, final weight, and final showmanship practice.

The week before fair, all exhibitors will be required to attend a minimum of one work night (more is better if there is work to do) at Etna H.S. Ag Shop on either Tues. July 30th or Wed. July 31st from 6pm-8pm. This will allow us time to prepare for a successful fair and sign up for barn duties.

Any questions or concerns, please feel free to call me, 805-458-5793.
